Di padre in figlio

From father to son

La storia del Gruppo Ciciriello ha origine negli anni '80 nella città di Andria, ai piedi del maestoso Castel del Monte. In questi luoghi intrisi di storia e tradizioni, tra i rigogliosi ulivi e le cattedrali, Giovanni Ciciriello, un commerciante dalla lungimirante visione imprenditoriale, poggia il primo mattone della sua azienda, trasmettendo sogni e progetti ai suoi figli. Oggi il figlio Alessandro è amministratore di Ciciriello Group, mentre a Riccardo è affidato il ruolo di responsabile risorse umane. Alessandro Ciciriello con grande dedizione, sacrificio e perseveranza, ha tramutato i sogni del "Patron" Giovanni in realtà importanti, sempre al passo con i tempi per idee, prodotti e tecnologie. The history of Ciciriello Group has its origins in the 1980s in the city of Andria, at the foot of majestic Castel del Monte. In these places steeped in history and traditions, among the luxuriant olive trees and cathedrals, Giovanni Ciciriello, a merchant with a forward-looking entrepreneurial vision, puts the first brick of his company, transmitting dreams and projects to his sons. Today Alessandro is the director of Ciciriello Group, while Riccardo is entrusted with the role of human resources manager. Alessandro Ciciriello with great dedication, sacrifice and perseverance, has turned the dreams of the "Patron" Giovanni into important realities, always in step with times for ideas, products and technologies.

Il futuro è una promessa di innovazione, ricerca e creatività. Per noi significa continuare a plasmare prodotti che uniscono materiali di eccellenza, design distintivo e maestria artigianale. Con ogni creazione, mettiamo in luce l'unicità e lo stile di chi ci sceglie.

The future is a promise of innovation, research and creativity. For us, it means continuing to shape products that combine excellent materials, distinctive design and craftsmanship. With each creation, we highlight the uniqueness and style of those who choose us.

L'innovazione è il cuore pulsante dei nostri processi produttivi, unita indissolubilmente alla cura artigianale che ci contraddistingue. È così che diamo forma a un'azienda dinamica, capace di cogliere le sfide del mercato e sfruttare al meglio le tecnologie più avanzate. Ma ciò in cui crediamo davvero è il potere della tradizione che incontra l'innovazione: la sapienza delle mani esperte, l'intuizione creativa, l'esperienza che dialoga con le idee del futuro. Ogni progetto è per noi una sfida da affrontare con passione, trasformando sogni in luce, spazio, casa.

Innovation is the beating heart of our production processes, indissolubly combined with the craftsmanship that distinguishes us. This is how we shape a dynamic company capable of meeting market challenges and making the most of the latest technologies. However, what we really believe in is the power of tradition that meets innovation: the wisdom of skilled hands, creative intuition, and experience that dialogues with the ideas of the future. Every project is a challenge for us to take on with passion, turning dreams into light, space, home.

Casa Ciciriello: la bellezza di sentirsi a casa ogni giorno Ciciriello house: the beauty of feeling at home every day

“La casa è il nostro corpo più grande”

“The house is our largest body” Khalil Gibran

La casa non è solo un luogo, ma un rifugio dove sentirsi autenticamente se stessi. Un posto in cui tornare e pensare: “Che meraviglia!”. Casa Ciciriello nasce proprio da questa idea: rendere ogni abitazione uno spazio unico, capace di emozionare chi la vive e incantare gli occhi di chi la visita. Con passione e attenzione, offriamo ai nostri clienti la possibilità di arredare e illuminare la propria casa, rispettando i loro gusti, la loro personalità e le emozioni che desiderano vivere in ogni ambiente.

Home is not just a place, but a refuge where you can feel authentically yourself. A place to go back to every day, thinking about how wonderful is! Ciciriello House arises precisely from this idea: to make every home a unique space, capable of exciting those who live in it and enchanting the eyes of those who visit it. With passion and care, we offer our clients the opportunity to furnish and illuminate their homes, respecting their tastes, personality and the emotions they wish to experience in each room.
